2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

This is the 3rd increase since 2006 and they received 18% increase in 2010. Our water bills are already incredibly high in old Tega Cay and raising rates again at the amount the Company wants would be a burden on families. My monthly bill last month was approximately \$85 for 2-3 people and we do not water out lawn.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
